All players must be ready to hit off at least 5 minutes before their allocated time.

COMPETITIONS:

The competition listed in the Handbook has priority over all other competitions, unless otherwise ruled by the Match Committee.

Regularly check notice boards for changes to Local Rules or playing conditions. Players should check all Notices on Notice Boards before starting a round. Each competitor's name must be entered on the Competition Sheet and the fees paid before starting.

The onus is on the Competitor to see that his/her card is correctly marked, signed and countersigned before it is handed in. Completed cards must be placed in the competition card box in Pro shop as soon as possible after completion of round.

Motorised buggies are not to be used in Championship events (Club Championships, Match Play Championship, Foursomes Championships, Mixed Foursomes Championships, Junior Championships) unless a medical certificate is produced.

Men's competitions are played from the tee indicated in the Handbook. Casual play and visitors not competing in club events should play from the white markers.

Women's competitions: Red or Yellow markers.

MEN'S:

Wednesday Tee Closure 6.30am to 1.00 pm

Saturday Tee Closure 6.30 am - 3.00 pm

WOMEN'S:

Thursday: Tee Closures March – October: 8.00 am to 10.30 am
November – February: 7.30 am to 10.00 am

Saturday (for 7 day and PAYP members only)

COMBINED:

A 9 hole competition is run on a Saturday and is available for all 7 day members. See the time sheet in the Pro shop.

PLAYERS:

If you are unable to play but occupy a time on the time sheet, you must notify the Pro shop before the day of play. Only competition players have standing during above designated times and other programmed competitions.

NEW MEMBERS:

It is the responsibility of the proposer and the seconder immediately a nominee is elected to membership to see that they are introduced to the Club officials and other members, and to ensure they are sufficiently advanced in the knowledge of the Rules of golf. Please see that you play with your nominee until he/she is so equipped.

MEMBERS VISITORS:

Visitors must be signed in before playing and must retain their receipt for green fees. They may win the daily competition but are ineligible to win a major trophy.

DRESS CODE:

Members and their guests are asked to wear neat attire and appropriate footwear at all times. Shirts with loud slogans and abbreviated shorts are not acceptable.

SPEED OF PLAY:

- Avoid slow play: keep up with the group in front.
- Players searching for a ball should immediately call the following group through and not continue play until that group are out of range.
- Leave the green immediately after holing out.
- Mark the card after hitting of from the next tee.

COURSE STAFF:

On all days Course Staff are to be given right of way.

Players may not approach a green until the Staff has replaced the pin in the hole.

Hoses and sprinklers must not be turned off or moved.

Players are requested to place golf tees in sprinklers rather than kink hoses.

HANDICAPS & GRADES:

	A Grade	B Grade	C Grade
MEN	0 -14	15 -21	22 - 36
WOMEN	0 - 23	24 - 30	31 - 45

The procedure for calculating an Australian Women's Handicap or an Australian Men's Handicap will be as follows:

The Australian Handicap will be calculated from a rolling sample of the player's previous 20 scores.

For each round a calculation of the players Handicap Differential will be made. Handicap Differential = Gross Score – Course Rating

STEP 1 – Use the table below to determine the number of Handicap Differentials to be included in the handicap calculation:

<i>Number of Scores in Player's Scoring Record</i>	<i>Handicap Differentials to be Used in the Calculation</i>
3 to 6	Lowest 1
7 or 8	Lowest 2
9 or 10	Lowest 3
11 or 12	Lowest 4
13 or 14	Lowest 5
15 or 16	Lowest 6
17 or 18	Lowest 7
19 or 20	Lowest 8

STEP 2 – Average the Handicap Differentials being used (as determined by the above table).

STEP 3 – Multiply the average by 0.93. (Note: This is the 'Multiplier' factor. The Multiplier is the incentive for players to improve their golf game. As a player's handicap improves (gets lower), the player has a slightly better chance of placing high or winning a handicap event.)

STEP 4 – After applying STEP 3, delete all numbers after the tenth's digit. Do NOT round to the nearest tenth. (For example 23.6983 becomes 23.6).

STEP 5 – In the example provided in STEP 4, the exact handicap is therefore 23.6 (although note the Anchor Provision below).

Note 1: ANCHOR PROVISION – A player's handicap is not permitted to increase by any more than 4 strokes beyond their best exact handicap from the previous 12-month rolling period

GOLF *Link* maintains and holds the official handicaps for both men and women. MLGC members should refer to GOLF *Link* either online or by swiping their cards in the Pro shop. Handicap boards should only be used as a guide.

Five cards for Men and three cards for Women are needed each year to maintain a handicap. Only cards dated with a Competition day are eligible for handicap adjustments. Players are expected to return all competition cards.

- The player on the lowest handicap in a group is responsible to see that the group plays at a speed to keep up with the group in front of them, and to carrying out the recommendations to ensure the group is not slow.
- Members should start their round according to the timesheet booking.
- If your group begins to lag behind someone should hit off – forget the 'honour' and get on with the game!
- Members should move briskly between shots and directly to their ball.
- Members should be ready to play their shot when it is their turn. This requires making your choice of club upon reaching your ball or lining up your putt while other members of the group are playing their shots.
- If a ball is lost, members should, where feasible, play their own shot before looking for the lost ball.
- If a ball is lost and all members of the group are searching then any waiting group must be called through by the lowest handicap player.
- Watch your playing group's shots to help find any wayward balls.
- At the green, buggies and carts should be left at the rear or next tee side of the green – not at the front of the green.
- Cards should be marked either whilst others finish putting or at the next tee while other members are hitting off - not at the side of the green. The player hitting off first should mark their card after hitting off.
- Groups should make every effort to keep up with group in front. It is not sufficient to claim that the group behind is not being held up.
- Keep the idle chatter for the next fairway or when you get to the clubhouse.
- Introduce new members to these simple actions to keep your group's game moving.
